ACCESSIBLE ATTRACTIONS

1 Flinders Discovery Centre

Phone: [\(07\) 4741 2970](tel:(07)47412970)

Address: [37 Gray Street, Hughenden QLD](#)

The Flinders Discovery Centre is the local visitor information centre as well as museum. The museum has an audio guide and contains local fossils, a life size replica of Muttaborrasarus, local history, shearing display and interactive children's activities. The centre can easily be navigated with a mobility scooter or wheelchair accessible toilets and dogs are allowed.

2 ART TRAIL: SCULPTURES & MURALS

Hughenden has a number of murals and sculptures around town that can be accessed by driving to the letters indicated below.

Q Ammonite Sculpture

A representation of an Ammonite fossil made from windmill parts.

R Darby the Dinosaur

Large wall sculpture depicting the Muttaborrasaurus, made from junk metal scavenged from local property dumps.

S Prehistoric Park

Come and meet "Mutt" a life size replica of a Muttaborrasaurus along with his friends Leanneosaurus and Pterosaur created by some talented metal artists.

T Rainbow Serpent Sculpture

Learn the Yirendali story of Moonda Nurra and the legacy of her presence on the ancient landscape.

U Flinders Fish

Hundreds of washers to were joined to complete the fishes scales and adjoined to sculptured steel.

V Serenity in the Outback

Amenities block mural

W Lazy Sundays

Water tank mural

X Crazy Characters

(Community Art Project) Amenities block mural

Y Transport theme from 'Go to Whoa'

Amenities block mural

Z Child's Play

Water tank mural

52 MOUNT WALKER

(see regional map for location)

Mt Walker is a 15min drive from Hughenden and is a large tabletop mountain that offers 360 degree views of the region. There are six lookouts, free BBQs and undercover picnic shelters and accessible toilets. (will need to have an arrow on map showing direction to drive on town map which is the southern exit road) You may also be able to add this to the larger scale map to indicate it's location.

38 PORCUPINE GORGE LOOKOUT

(see see regional map for location)

Located 60km north of Hughenden, Porcupine Gorge Lookout offers impressive views of this canyon. There is a walkway from the carpark to the lookout which is approximately 25meters from the parking bay.

36 40 45 TOURISTS DRIVES

(see regional map for locations)

ACCESSIBLE RECREATIONAL AREAS

RSL Railway Social Club

Originally formed as a social club for the large railway workforce in Hughenden. Open every Friday night from 6-12pm, this family friendly venue has a meals, drinks and a playground with a ramp accessible entrance bathroom.

13 Hughenden Recreational Lake

Completed in 2019, the lake has been stocked with freshwater fish and Redclaw yabbies. The lake has an accessible walking trail all the way around the perimeter as well as accessible toilets, free BBQ's and picnic areas . There is also a children's playground and two jetties that wheelchairs and scooters can access.

14 Discovery Park

A shady little nook in the CBD with internet access and an accessible toilet.

15 Brodie St Playground

Enjoy free wifi while the kids burn off energy under the shaded playground. The playground also has accessible toilets.

16 Robert Gray Park

The coolest place to be on a hot day. Lovely, shaded area with BBQ's, picnic tables, amenities and accessible walking trails along the riverbank. The park also has accessible toilets.

17 Flinders River

Queensland's longest river at 840 kms which flows into the Gulf of Carpentaria. It flows year-round, you just may not see it (as the water flows underground in the dry season). When the riverbed is dry, this is a great place for fossicking for fossils, river rocks, and tumbled glass.

18 Eco Walk on Flinders

This accessible walking trail along the banks of the river is peppered with interpretive signage which explain the four bio regions of the area, and industries of our community.

19 Bully Playford Park

A great place to give your four-legged friends a rest at the dog off-leash area. There are accessible toilets at this park.

20 Hughenden Sports Complex

Boasting two pools (access ramp into pool) accessible toilets, a 24-hour gym, under cover skatepark, bike park and basketball court..

21 Apex Park

This Driver Reviver stop is equipped with cold showers, accessible toilets ,baby change room facilities and picnic areas.

22 Hughenden Library

Phone: [\(07\) 4741 2976](tel:(07)47412976)

Address: [39 Gray St, Hughenden](#)

More than just books! Travellers book exchange, kids holiday programs, computers with internet access, printing services and our librarians are a wealth of local and historical knowledge. Accessible parking in front of library and access ramp into the building.

23 Hughenden Showgrounds

A hub for Hughenden's vibrant sporting community activities and events. The area is also used for overflow powered caravan sites when the caravan park reaches capacity. There are two toilets blocks withing the showgrounds that have accessible toilets and showers.

ACCESSIBLE HISTORICAL SITES

24 Federation Rotunda

Made from 20' (6m) windmills brought in from a local property, dated 1912 and 1916. These windmills were originally used to pump water for stock. This Rotunda was a Centenary of Federation project in 2001.

25 Hughenden Post Office

The first Post Office was established in 1878 in a different location, the building of today was built in 1933. The post office has an access ramp.

26 Hughenden Court House

Completed in 1955, the present day Courthouse houses the Police Department, Q Gap Office, Government Agencies and the Court house when court is in session.

27 Hughenden Masonic Lodge

The Masonic Lodge was formed in 1886, this building was built in 1937.

28 Wirrilla Mill

This 35ft (11m) Comet mill was one of only fifteen mills manufactured. Each mill was individually numbered and this is number 11.

29 Historic Coolabah Tree

Frederick Walker and Sir William Landsborough, whilst searching for Burke and Wills, blazed this Coolabah tree. The cement surveyors' peg sculpture is adorned with four brass plaques representing historical figures and events of the area. The Coolabah Tree has an access path.

30 Returned Soldiers' Memorial Rotunda

Erected in 1932 by the Hughenden District Soldier's Memorial Fund in memory of past soldiers. Once used for the Annual Anzac Day celebrations.

31 Hughenden Cemetery

Historical and modern Cemetery, graves dating back to 1883. A self-guided tour leads around 24 selected headstones describing the symbols & their meanings. This site has accessible toilets.

32 Hebrew Grave

The grave of Jeanette Tolano who was 24 at her age of death and recently married. The grave is the last remaining grave in the old cemetery which was relocated to make way for the growing town. This grave was not relocated due to religious laws of the Jewish faith.
